## 1. INTRODUCTION

### COMPLIANCE WITH THE CLERY ACT

Blinn College's (hereafter referred to as "Blinn" or "the District") Police Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (Clery Act). The purpose of the report is to disclose campus crime statistics and security information to current and prospective students, faculty and staff. The report is prepared in cooperation with the local law enforcement agencies operating in Blinn College's 13 county service area. Each entity is responsible for providing updated information on their educational efforts and programs to comply with the Act.

An email notification is to be sent on October 1st to all enrolled students and employees providing a link to the report. It can also be accessed directly from the Blinn Police Department's web site at [www.blinn.edu/police](http://www.blinn.edu/police).

A printed copy of the College's Annual Security Report can be obtained by contacting the Blinn College Police Department at 979-830-4755.

### HISTORY OF CLERY ACT LEGISLATION

The Jeanne Clery Act<sup>1</sup>, U.S.C. 1092 (f); Public Law 89-329 is required by Section 485(a) and (f) of the Higher Education Act of 1965 (HEA), as amended, and hereafter referred to as the Clery Act requires public and private colleges and universities which participate in the Federal student aid programs to disclose campus crime and fire statistics to the Secretary of the Department of Education. The publishing of annual security reports has been required since September 1992.

---

<sup>1</sup> The Clery Act is named in memory of Lehigh University freshman Jeanne Clery who was assaulted and murdered on April 5, 1986 by a fellow student she did not know. The student entered her residence hall through a propped open door. Her parents, Connie and Howard, discovered that students had not been informed about 38 violent crimes on the Lehigh campus in the three years preceding her murder. The Clery's were successful in having a campus crime reporting law enacted in their home state of Pennsylvania before joining with other campus crime victims to seek congressional support for a national crime reporting law. In 1987, the Clery's founded Security On Campus (<http://www.securityoncampus.org/>), a national non-profit organization dedicated to preventing violence, substance abuse, and other crimes in college and university campuses across the United States. In 2005, the Clery's founded National Campus Safety Awareness Month.

## 2. ABOUT BLINN COLLEGE

Founded in 1883, Blinn is a comprehensive community college committed to educational excellence and to individual and community enhancement. With campuses located in Brenham, Bryan, Schulenburg and Sealy, and enrollment of approximately 19,000 students, Blinn ranks among the nation's leaders in transferring students to premier four-year universities and has received national recognition for its affordable educational excellence.

Blinn makes a \$345.3 million economic impact in its service area each year, according to a study released in 2014 by [Economic Modeling Specialists International \(EMSI\)](#). That total includes \$239.5 million in added income by former students employed in the regional workforce. Blinn was named one of the top community colleges in the state by Schools.com in 2013 for its positive impact on the Texas economy.

### BLINN COLLEGE SERVICE AREA

### 3. CAMPUS LAW ENFORCEMENT AUTHORITY

The Blinn College District Board of Trustees entrusts the Blinn Police Department with providing a safe and secure campus environment for education, employment and community activities. The Blinn Police Department provides crime prevention and response services to all counties in which property is owned, leased, rented, or otherwise under the control of Blinn College. Coordination takes place through the Blinn District Police Dispatch Center which is staffed twenty four hours/day, seven days/week.

Police officers employed by Blinn are licensed by the Texas Commission on Law Enforcement Standards and Education and are commissioned by Blinn College. The Texas Education Code, Chapter 51, Section 51.203 and Texas Code of Criminal Procedure Article 2.12 prescribe the jurisdiction and the authority for commissioning of police officers. An officer's secondary jurisdiction extends to the remainder of the State of Texas. Campus Police have access to the available State of Texas databases that are used for accessing criminal history data, nationwide police records, driver/vehicle identification information, as well as other local, state and federal law enforcement information. Blinn College Campus Police have discretion to refer minor offenses to the Senior Vice President for Student Services for disciplinary action.

The Blinn Police Department maintains a close working relationship with all criminal justice agencies within the service area including the Texas Department of Public Safety. Information on Clery-reportable crimes is solicited from these agencies on a regular basis to ensure its inclusion in Blinn's crime statistics. Meetings are held between the leaders of these agencies on both a formal and informal basis to allow sharing of pertinent information and to facilitate access to additional law enforcement resources as necessary.

## 4. CAMPUS SECURITY

### **SECURITY OF AND ACCESS TO FACILITIES**

Blinn operates an “open college.” During business hours, the College is open to students, parents, employees, contractors, invitees and the general public. During non-business hours and periods of extended closing, access to any Blinn facility is coordinated by the Blinn Police Department. Access to campus facilities may be restricted or changed as necessary to meet safety and security requirements.

### **MAINTAINING SAFE AND SECURE FACILITIES**

Blinn has instituted a variety of safety and security procedures and services to enhance public safety and maintain a secure learning and working environment. Access to Blinn facilities is controlled by the use of locks, traditional key-control and electronic access control systems. Security alarms and cameras are used throughout the District and are monitored by the Blinn Police Department. In their patrols of the District, Blinn Police officers make note of safety and security issues which require attention.

### **SEX OFFENDERS**

Sex offenders must register with the Blinn Police Department as required by law or court order. In compliance with state law, the Blinn Police Department maintains a listing of registered sex offenders who are currently enrolled in classes on any Blinn campus or facility.

A general listing of registered sex offenders may be found on the Texas Department of Public Safety's web site.

### **CRIMINAL BACKGROUND CHECKS**

Blinn College is committed to protecting the security, safety, and health of faculty, staff, students and others as well as safeguarding the assets and resources of the College.

As part of this commitment, Blinn identifies all academic programs where criminal background checks are required by law or as a condition of the program approval/accreditation. Blinn will require criminal history checks of students in these identified programs and will refuse admission to or continuation in these programs where necessary to meet such regulations or accreditation standards.

Blinn College conducts criminal background checks on all housing residents prior to acceptance into campus housing and prior to each semester. Should, during the course of a semester, a resident student be charged with a criminal offense which would have precluded them from being eligible to move into housing, that student will not be eligible to remain in housing. The student may reapply for housing at a later date but will be subject to all housing requirements.

The college will conduct a background check as a condition of employment. Employment practices associated with background checks are to be conducted in a manner that supports the college's commitment to non-discrimination and non-harassment in hiring practices.

## 5. REPORTING CRIMES

Individuals are encouraged to report all crimes and public safety concerns to the Blinn Police Department or local law enforcement in an accurate and timely manner. Individuals reporting an alleged crime should attempt to preserve evidence that might prove the crime was committed. Section 7 provides more specific information regarding the report of sex offenses.

To report a crime, use one or more of the following means:

- Call the Blinn Police Department Dispatch, which is staffed 24 hours a day, at 979-337-7272.
- Contact an officer in uniform on patrol or go to the Blinn Police office on any campus.
- Employees may report crimes to the Human Resources department, who is then responsible for promptly notifying the police of the reported incident. The police will determine if it is a Clery-reportable offense.
- Students may report incidents of crime to the Senior Vice President of Student Services, who is then responsible for promptly notifying the police of the reported incident. The police will determine if it is a Clery-reportable offense.
- Victims or witnesses wishing to make confidential reports of criminal activity may do so by requesting that their identity not be disclosed. Confidentiality will be honored to the extent permitted by law, criminal investigatory requirements, and the college's judicial process. These confidential reports are counted and disclosed in the crime statistics for the College, but, as with all other crimes included in the report, no personally identifiable information is included.

Blinn College is committed to fostering an environment in which all members of our campus community are safe, secure, and free from sexual misconduct of any form, including but not limited to sexual assault, dating violence, domestic violence, and stalking. Blinn expects that all interpersonal relationships and interactions—especially those of an intimate nature—be grounded upon mutual respect, open communication, and clear consent.

Blinn has adopted the following standards of conduct for all members of our community—students, faculty, administrators, staff, vendors, contractors, and third parties—with respect to sexual assault, dating violence, domestic violence, and stalking. These standards apply to all regardless of race, gender, religion, disability, sexual orientation or ethnicity/national origin of any of the individuals involved. By providing resources for prevention, education, support, investigation, and a fair disciplinary process, Blinn seeks to address and ultimately reduce or eliminate sexual violence.

- meets the definition of stalking, dating violence, fondling, incest, rape or statutory rape
- involves any form of sexual discrimination, harassment, misconduct and/or violence

## **DEFINITIONS**

- **Sexual Assault** means any offense that meets the definition of rape, fondling, incest, or statutory rape.
- **Rape** is penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
- **Fondling** is the touching of the private body parts of another person for the purpose of sexual gratification without consent of the victim.

It can also occur when an employee causes a student to believe that the employee will make an educational decision based on whether or not the student submits to unwelcome sexual conduct.

- **Hostile environment** is when harassment occurs when unwelcome conduct of a sexual nature is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an education program or activity, or creates an intimidating, threatening or abusive educational environment. A hostile environment can be created by a school employee, another student, or even someone visiting the school, such as a student or employee from another school.

## **INVESTIGATIONS**

Any investigative or disciplinary proceedings that arise from a complaint of sexual assault, dating violence, domestic violence and/or stalking will be determined by a preponderance of the available evidence. Such proceedings will be conducted by officials who receive annual training on the issues related to dating violence, domestic, violence, sexual assault, and stalking and on how to conduct an investigation and/or hearing process that protects the safety of victims and promotes accountability. The complainant, respondent, and appropriate officials will be provided timely and equal access to any information that will be used during informal and formal disciplinary meetings and hearings. Further, in any proceedings under this provision, the complainant and the respondent shall have the same opportunities to have others present during any institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice. While Blinn may establish restrictions regarding the extent to which the advisor may participate in the proceedings, it will not limit the choice or presence of the advisor of either the complainant or the respondent.

## ***CONFIDENTIALITY***

Blinn College recognizes that confidentiality may be particularly important to victims. If a victim chooses to make a disclosure to Blinn personnel, the victim should have informed expectations concerning privacy and confidentiality. Blinn cannot guarantee confidentiality and must evaluate any request for confidentiality in the context of its responsibility to provide a safe and nondiscriminatory environment. When a victim makes a disclosure to any Blinn personnel, Blinn will treat the information with the utmost sensitivity. As a general matter, information will only be reported to the appropriate personnel where necessary to provide accommodations and protective measures and ensure the safety and security of the campus community.

Reporting is necessary to ensure victims of such conduct receive appropriate services and information, to track incidents or identify patterns, to protect the Blinn community from future incidents, and to fulfill the college's reporting obligations under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Blinn conducts its publicly available recordkeeping, including Clery Act reporting and disclosures, without the inclusion of personally identifiable information of either the complainant or the respondent.

## ***SANCTIONS***

In appropriate cases, complaints will lead to the initiation of disciplinary procedures. For students, sexual assault, dating violence, domestic violence, and stalking are violations of the Student Conduct Code, subjecting the respondent to disciplinary sanctions outlined in the Code, up to and including expulsion from Blinn. Employees will be subject to discipline according to the applicable Blinn policies and procedures, up to and including termination of employment.

Blinn shall provide simultaneous notification in writing, to both the complainant and the respondent of a) the result of any institutional disciplinary proceeding that arises from an allegation of dating violence, domestic violence, sexual assault, or stalking and b) Blinn's procedures for the respondent and/or the victim to appeal the result for the institutional disciplinary proceeding, if available, c) any change to the result, and d) when the results of the investigation or disciplinary proceeding become final. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

### **ASSISTANCE FOR VICTIMS**

Regardless of whether a victim elects to make a complaint to law enforcement, the college will assist victims of sexual assault, dating violence, domestic violence, and/or stalking. When a student or employee reports to the institution that he or she has been a victim of sexual assault, dating violence, domestic violence, or stalking, whether the offense occurred on or off campus, the college will provide the student or employee a written explanation of their rights, resources and options. The college will provide written notification to students and employees about existing counseling, health, mental health, victim advocacy, and other services available for victims, both within the college and in the community. The college will provide written notification to victims about options for, and available assistance in, changing academic and working environments. Accommodations will be provided if the victim requests them and if they are reasonably available.

### **TITLE IX – STUDENTS**

Blinn College is committed to fostering a fair and safe environment for all students. Discrimination, including harassment or retaliation, against any student on the basis of race, color, religion, sex/gender, national origin, disability, age or any other basis prohibited by law is strictly prohibited.

Title IX was created in the Education Amendments of 1972 to prohibit discrimination (to exclude, separate, deny benefits to or otherwise treat differently) based on sex. This includes discrimination based on same-sex, gender identity or failure to conform to stereotypical notions of masculinity or femininity. Any form of sexual discrimination, harassment, misconduct or violence will not be tolerated in the Blinn College community.

Title IX applies to ALL STUDENTS at educational institutions (and off-campus) regardless of their sex, sexual orientation, gender identity, part- or full- time status, disability, race or national origin in all aspects of educational programs and activities. All students deserve the right to a fair and safe educational environment.

Blinn College's Title IX information can be found at <http://www.blinn.edu/title-ix/index.html>.

## Student Title IX Hotline Cards/Posters

### Things **YOU** need to know about SEXUAL ASSAULT

- You have the right to say NO, no matter the circumstances.
- Men and women can both be victims of sexual assault.
- Sexual assault includes any unwanted sexual contact or attention, from touching to rape.
- Always keep your cell phone charged and on you. You never know when you'll need it.
- Always let friends know where you are going and when you'll be back.
- Make a plan before you go out. Set up checkpoints or code words to make it easy for you and your friends to stay connected.
- Say "yes" when you mean "yes" and "no" when you mean "no." No means NO, regardless of eye contact, voice tone, posture or gestures.
- Recognize that your sexual needs do not give you the right to do whatever you want. Any sexual activity should be mutually desired.
- Know your limits—and let your partner know them right from the start. Be clear about what's okay for you.
- Anytime you are uncertain whether your partner is comfortable with your behavior, ask! You can simply say, "Are you okay with this?" "No" always means NO. "I'm not sure" means NO. Only YES means YES.
- Define yourself and your sexual limits. Your sexual limits are yours alone to define. The first step in preventing abuse is to define your limits clearly to yourself and then act quickly when a date or partner intentionally or unintentionally crosses your stated boundaries.
- Stay in control. Alcohol is the most common date-rape drug. In fact, alcohol is involved in 75 percent of all sexual assaults reported.
- Alcohol and drugs compromise your ability (and your partner's ability) to make responsible decisions. If you choose to drink alcohol, drink responsibly. Be able to get yourself home, and do not rely on others to "take care" of you.
- Understand that a person who is drunk is not legally capable of giving consent. If the other person is not capable of making an informed decision, do not have sex.
- Be aware that committing rape has severe consequences. For the victim, there can be years of emotional trauma, unwarranted guilt and fear. For the aggressor, sexual assault can lead to criminal charges, attorney expenses and even prison. For both, a sexual assault can result in disease, pregnancy and social stigma. A few minutes of sex are not worth years of regret.

If you feel that you have been a victim of sexual assault or if you have any questions pertaining to sexual assault, please immediately contact the Blinn College Title IX Coordinator or Blinn College Police Department at the numbers listed below:

## 8. EMERGENCY NOTIFICATIONS AND TIMELY WARNINGS/CRIME ALERTS

### DEFINITIONS

**Emergency Notification:** an emergency notification is required upon the confirmation of a significant emergency or dangerous situation occurring on or near Blinn College property involving an immediate threat to the health or safety of students or employees.

**Confirmation:** an institution official has verified that a legitimate emergency or dangerous situation exists (confirmation doesn't necessarily mean that all of the pertinent details are known or even available).

**Timely Warning:** also known as a "Blinn Alert", a timely warning is required for any Clery Act crime that is reported and is considered to represent a serious or continuing threat to the safety of students or employees.

**Blinn Alert System:** the system by which emergency notifications and timely warning/crime alerts are issued. Students are automatically registered to receive Blinn Alerts via their Blinn email account. If a student wishes to update their account to add a personal email or phone number for calls and text messages, they can do so through their myBLINN account.

Employees are automatically registered to receive Blinn Alerts via their Blinn email and office phone. Employees can update their account to add information through our Employee Online Portal.

### **ISSUING AN EMERGENCY NOTIFICATION**

As soon as Blinn has confirmed that a significant emergency or dangerous situation exists, the College will:

- Take into account the safety of the campus community
- Determine what information to release about the situation, and
- Begin the notification process.

The only reason to withhold an emergency notification is if doing so will compromise efforts to assist a victim or contain, respond to or otherwise mitigate the emergency.

The Chief of Police or his designee is responsible for making the decision whether an emergency notification alert will be issued. If time allows, this decision will be made in consultation with the Executive Vice President & General Counsel, or his designee.

### **ISSUING A TIMELY WARNING/CRIME ALERT**

A timely warning/crime alert will be issued, as soon as pertinent information is available, for any Clery-reportable crime that is considered a serious or continuing threat to students and employees.

The Chief of Police or his designee is responsible for making the decision whether a timely warning/crime alert will be issued. If time allows, this decision will be made in consultation with the Executive Vice President & General Counsel, or his designee.

A timely warning *may* be issued regarding other (non-Clery Act) crimes as deemed necessary by the Chief of Police or his designee, in consultation with the Executive Vice President & General Counsel, the Special Assistant to the Executive Vice President & General Counsel, or their designees.

If an emergency notification for a Clery crime is issued, a timely warning will not be issued as well.

## **CONFIRMING A SIGNIFICANT EMERGENCY OR DANGEROUS SITUATION ON CAMPUS**

Once Campus Police receives an emergency report, the credibility of the caller or report (known entity vs. anonymous), the specificity of the information and the urgency of the threat to property owned or controlled by Blinn College will be evaluated. If there is good credibility and specificity and the threat appears imminent, an emergency will be confirmed.

Reports may be received in the following manners:

- Phone call to Blinn College Police Dispatch by a student, faculty or staff member or a visitor
- Phone call or visit to a campus police office or officer
- Local news media
- Fire alarm devices
- Security alarms
- Security cameras
- Report by another law enforcement agency
- Report from a Public Health Department

## **DETERMINING WHETHER A CONTINUING THREAT EXISTS (TIMELY WARNING)**

Whether a reported crime constitutes a continuing threat must be decided on a case-by-case basis in light of all the facts surrounding a crime, including factors such as the nature of the crime, the continuing danger to the campus community and the possible risk of compromising law enforcement efforts.

Examples of crimes that could constitute a continuing threat include but are not limited to:

- a serial crime that targets certain campus populations such as sex crimes or race-based crimes in which the perpetrator has not been apprehended; or
- a crime in which there is no apparent connection between perpetrator and victim and the perpetrator has not been apprehended.

Crimes that would not constitute a continuing threat include but are not limited to:

- crimes in which the perpetrator has been apprehended, thereby neutralizing the threat; or
- crimes that appear to be one-time occurrences; or
- crimes in which an identified perpetrator targets a specific individual(s) to the exclusion of others.

## **CONTENT OF THE EMERGENCY NOTIFICATION OR TIMELY WARNING**

In the case where an emergency notification must be issued immediately, the initial message will be brief and pre-scripted. The content of follow-up emergency notification and timely warning messages is developed by the Chief of Police in consultation with the Executive Vice President & General Counsel, or his designee.

The content of the emergency notification will provide information and instructions to help members of the campus community take immediate action to protect themselves.

The content of the timely warning message will contain sufficient information about the threat to allow members of the campus community to take action to protect themselves, such as:

- a succinct statement of the incident;
- possible connection to previous incidents, if applicable;
- physical description of the suspect;
- composite drawing of the suspect, if available;
- date and time the warning was released; and/or
- other relevant and important information (in some cases, law enforcement may need to keep some facts confidential to avoid compromising an investigation)

### **DISTRIBUTION OF EMERGENCY NOTIFICATIONS TO STUDENTS AND EMPLOYEES**

Emergency notifications must be distributed in a manner reasonably likely to reach the affected students, faculty, staff, visitors and contractors without delay. To ensure all those affected are warned, emergency notifications will be sent via the following methods, at a minimum:

- emails
- text messages
- phone

Other means of communication will be used as deemed appropriate under the circumstances such as posting to the Blinn home page, Blinn Emergency Preparedness page, social media accounts and Blinn digital media (TV's and outdoor signage).

### **DISTRIBUTION OF TIMELY WARNINGS/CRIME ALERTS TO STUDENTS AND EMPLOYEES**

Timely warnings must be distributed in a manner reasonably likely to reach the affected students, faculty and staff. To ensure all those affected are warned, timely warnings will be sent district-wide via the following methods, at a minimum:

- emails
- text messages
- phone

Other means of communication will be used as deemed appropriate under the circumstances such as posting to the Blinn home page, Blinn Emergency Preparedness page, social media accounts and Blinn digital media (TV's and outdoor signage).

### **TESTING OF COMMUNICATION PROCEDURES**

The Blinn Alert System is tested each month to ensure proper operation. Each month, the test is performed by a different member of the emergency management team, ensuring all are familiar with the system and procedures.

## 9. EMERGENCY RESPONSE AND EVACUATION PROCEDURES

### PUBLICIZING BLINN EMERGENCY PROCEDURES

To assist the Blinn campus community in becoming familiar with emergency response and evacuation procedures, the following methods are used throughout the year:

- orientation sessions for new students and employees,
- formal presentations to college associations and departments,
- the emergency web page [http://www.blinn.edu/emergency\\_management/](http://www.blinn.edu/emergency_management/) where detailed procedures and resources can be found
- formal emergency training sessions to emergency team by Blinn Emergency Management/Safety and Risk Manager.

### BLINN EMERGENCY RESPONSE PROCEDURES

Under the Clery Act, Blinn is required to immediately notify the campus community upon confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus.

At Blinn's Brenham and Bryan campuses, Blinn College Critical Incident Response Team (CIRT) is comprised of faculty & staff volunteers committed to respond during a critical incident. CIRT is a group of volunteers trained to assist in mitigation, response, and recovery processes of critical incidents. While not trained to be police officers, firefighters, or medical personnel, the team members have immediate communication access to trained professionals.

State law and Blinn College policy prohibits the possession, carrying or use of illegal weapons or firearms on the Blinn campus or property controlled by the college.

[FLBF \(LEGAL\)](#)

[FLBF \(LOCAL\)](#)

The only exception is for authorized law enforcement officers or other persons specifically authorized by the College or law.

Violations are prosecuted as felonies. Student violations may also result in disciplinary action.

## 12. MISSING STUDENT NOTIFICATION POLICY

In 2010 new federal guidelines ([Higher Education Act Reauthorization with Higher Education Opportunity Act – 2008 Section 485\(j\)](#)) requires all colleges and universities with on-campus student housing to enact policies and procedures to handle reports of missing students. The intent of the law is to minimize delays and confusion during the initial missing student's investigation.

Students are given the opportunity during each semester's registration process to designate an individual or individuals to be contacted by the College no more than 24 hours after the time the student is determined to be missing. If there is reason to believe that a student is missing, all possible efforts will be made to locate the student to determine the student's state of health and well-being. The efforts to locate the student will be a collaborative effort between Blinn College Division of Student Services, Blinn College Housing Department, Blinn College Police, fellow students, family and friends.

### 13. ANNUAL FIRE SAFETY REPORT

## 15. CLERY CRIME STATISTICS

The Clery Act specifies the crimes that must be disclosed in Blinn College's Annual Security Report. Blinn must record and report all alleged crimes, arrest and referrals reported to the Blinn Police Department. On an annual basis, the Blinn Police Department requests Clery-reportable crime statistics from law enforcement agencies that also have jurisdiction in the areas where Blinn operates. Also on an annual basis, the Blinn Police Department requests information from the Senior Vice President of Student Services regarding the number of drug, alcohol, and weapons violations that resulted in disciplinary action.

### **Appendix A**

Statistics must be reported by specific Clery-defined geographic categories. Clery geography definitions and classifications are explained in this Appendix.

### **Appendix B**

Clery-reportable crimes and disciplinary referrals are defined.

### **Appendix C**

## Screening Questions

Please answer these questions carefully. The answers you provide will determine which screens you will be asked to complete for this data collection.

1. Does your institution provide On-Campus Student Housing Facilities?

- No.
- Yes. (If Yes is selected, you must enter the number of student housing facilities below and enter Fire Statistics for each facility.)

	Last Year
Number of On-campus Student Housing Facilities: <input style="width: 30px;" type="text" value="14"/>	14

2. Does your institution have any noncampus buildings or properties?

- Yes
- No

3. Have you combined statistics that you received from the local or state police with your institution statistics for this report? If you answer No to this question, you will be asked to provide the data you received from the local and state police separately.

- Yes. Local and/or state law enforcement agencies provided us with statistics that we are combining with statistics collected by our campus security authorities.
- No. We are not combining the statistics because we cannot determine whether the statistics we obtained from local and/or state law enforcement agencies are for on-campus incidents or public property incidents.
- Not available. We cannot determine if the statistics we obtained from local and/or state law enforcement agencies are for our Clery geography.
- Not available. We made a good-faith effort to obtain statistics from local and/or state law enforcement agencies, but the agencies did not comply with our request.

### Screening Questions

Please answer these questions carefully. The answers you provide will determine which screens you will be asked to complete for this data collection.

1. Does your institution provide On-campus Student Housing Facilities?

- No.
- Yes. (If Yes is selected, you must enter the number of student housing facilities below and enter Fire Statistics for each facility.)

Number of On-campus Student Housing Facilities:

2. Does your institution have any noncampus buildings or properties?

- Yes  No

3. Have you combined statistics that you received from the local or state police with your institution statistics for this report? If you answer **No** to this question, you will be asked to provide the data you received from the local and state police separately.

- Yes. Local and/or state law enforcement agencies provided us with statistics that we are combining with statistics collected by our campus security authorities.
- No. We are not combining the statistics because we cannot determine whether the statistics we obtained from local and/or state law enforcement agencies are for on-campus incidents or public property incidents.
- Not available. We cannot determine if the statistics we obtained from local and/or state law enforcement agencies are for our Clery geography.
- Not available. We made a good-faith effort to obtain statistics from local and/or state law enforcement agencies, but the agencies did not comply with our request.
